

Phase 1: Key Performance Indicators (KPIs)

Your performance will be measured across the following four core areas:

#	KPI Area	Goal
1	Team & Workflow Management	To ensure the social media team is operating efficiently, adhering to timelines, and maintaining high content quality standards.
2	Content Script & Strategy Development	To create compelling, high-quality content scripts and comprehensive strategies for all assigned channels.
3	Shoot Assistance & Creative Direction	To provide essential creative and logistical support during content shoots, ensuring professional execution and alignment with the content strategy.
4	Mentorship & Team Development	To train and mentor junior team members/interns, provide constant feedback, and coordinate closely on tasks to help the team develop a strong understanding of content best practices.
